Now... Your Organization Can Present Its Own Unique Awards!

Whether your requirements are 1 award or 100 awards, Kershner Studios provides the options that today's progressive organizations demand. Unlike some other companies that simply write orders, or uncertain dealings over the internet, we pride ourselves in offering full-service, award development and production at an affordable price.

Because every award is important, we'll develop the creative solutions that make presenting your award a memorable experience... for both you and the recipient.

And, having been in business for almost 20 years, we understand that your budget and your desire for quality are important. We'll work with you... earning your business by conceiving each and every project with painstaking attention to detail.

And Yes... We Do Traditional Style Plaques & Trophies, Too...
With Our Own Custom Bonus!

Why Settle for "Stock" ? Now You Can Afford "CUSTOM"!
